

Memorandum

Date: April 19, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 3(B)(1)

Subject: Resolution Approving Terms of and Authorizing the County Mayor, County Mayor's Designee or Miami-Dade County Department of Transportation and Public Works Director to Execute a Supplemental Joint Participation Agreement #2 with the Florida Department of Transportation to Amend the Description for the Northeast Transit Hub Enhancements Project at Aventura Mall

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the terms of and authorize the County Mayor, County Mayor's Designee or Miami-Dade County (County) Department of Transportation and Public Works (DTPW) Director to execute a Supplemental Joint Participation Agreement #2 (SJPA) in substantially the form attached hereto with the Florida Department of Transportation (FDOT) to amend the description for the Northeast Transit Hub Enhancements (NETHE) project at the Aventura Mall. Currently the NETHE project consists of improvements to the existing transit hubs located at the Northeast 163 Street Mall (Phase I) and the Aventura Mall (Phase II). This amendment will delete the proposed improvements to the existing transit hubs at the Aventura Mall and replace it with a new Bus Terminal/Layover Area project.

This agenda item may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this agenda item. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this recommendation, I will request a withdrawal of this item.

SCOPE

While this project is in Commissioner Sally A. Heyman's District 4, the impact of the project benefits the riding public and is, therefore, countywide.

FISCAL IMPACT/FUNDING SOURCE

This SJPA is for a scope change only and does not provide additional state funding. To date, the State has provided \$1,641,927.00 in County Incentive Grant Program (CIGP) funding for Phases I and II of the NETHE project. The \$1,641,927.00 required local match is being provided by the County using Charter County Transportation Surtax (Surtax) bond proceeds for a total State Agreement amount of \$3,283,854.00.

The estimated cost for the improvements at the NE 163 Street Mall is \$1,921,583.00 (including state and local match). The estimated cost of the new Bus Terminal/Layover Area at the Aventura Mall is \$3,432,271.00. The current funding available from the State's agreement for the Aventura Mall component of the NETHE project is \$1,362,271.00 (including state and local match). Of this amount, \$930,000.00 will be used towards the license fee for a new License Agreement to enable the County's use of the new transit facilities being built by the Aventura Mall, as part of their expansion project.

The estimated future annual operating and maintenance cost resulting from the implementation of the NETHE Aventura Mall project is approximately \$40,000.00, and will be funded through DTPW's operating budget.

TRACK RECORD/MONITOR

The County has entered into numerous funding agreements with FDOT over the course of more than 28 years. The Grant Manager for this SJPA is Ed Carson of DTPW's Financial Services Division.

BACKGROUND

The CIGP was created by Section 339.2817 of the Florida Statutes, as authorized by State Legislature in 2000, with the purpose of providing grants to counties, improvement of transportation facilities located on the State Highway Systems, or relieving traffic congestion on the State Highway System.

On June 15, 2010, the Board approved Resolution R-687-10 for the execution of the original agreement with FDOT in the amount of \$1,348,442.00 for the construction of the Northeast Passenger Activity Center (NEPAC) project. The proposed site for this project was located between NE 164 Street and Mischo Athletic Field, and between NE 15 Avenue and NE 16 Avenue. The state funding included in the agreement was contingent upon Miami-Dade Transit (now DTPW) and the City of North Miami Beach identifying a final site for the NEPAC by January 31, 2011. Miami-Dade Transit worked closely with the City of North Miami Beach but was unable to reach an agreement on the project scale, scope, and cost, which resulted in being unable to meet the State's deadline to identify a final project site.

To preserve the funding provided by the original agreement, Miami-Dade Transit identified other feasible alternatives. These alternatives included improvements to the existing transit hubs located at the NE 163 Street and Aventura Malls. The transit hub locations include the NE 167 Street Bus Hub, NE 15 Avenue Bus Hub, NE 163 Street Bus Stop, Aventura Mall Bus Relief Areas, Aventura Mall Entrance Bus Stop Improvements, and Aventura Mall Publix Shopping Center Stop (NE 29 Place). These locations were collectively described as the "Northeast Transit Hub Enhancements."

On June 7, 2011, the Board approved Resolution R-443-11 for Supplemental Joint Participation Agreement #1, which amended the original name and scope of the NEPAC to the NETHE, and provided additional funding in the amount of \$293,485.00, bringing the total state funding to \$1,641,927.00. This state funding along with the County's equal local match provided a total agreement of \$3,283,854.00.

This SJPA will delete the existing Aventura Mall project and replace it with a new Bus Terminal/Layover Area project located in an existing parking garage at the Aventura Mall. The funding from this SJPA will be used to procure and install four (4) Ticket Vending Machines, ten (10) Security Cameras (CCTV), and four (4) Next Bus Arrival Signs. The project will be accomplished through terminating the existing License Agreement entered into on April 24, 2000 and preparing a new License Agreement between the County and the Aventura Mall Venture. The new License Agreement will include a one-time license fee of \$3,000,000.00 to be paid to the mall, of which \$930,000.00 will be provided by the current State Agreement. The new License Agreement will enable the County's use of the new transit facilities being built by the Aventura Mall as part of their Expansion project. The proposed License Agreement will be presented to the Board for approval as a separate item.

Both the NE 163 Street Mall and Aventura Mall sites provide strategic transit service connectivity, as they serve the northeast County area and are major destination points with important bus connections. The NE 163 Street Mall improvements will be substantially completed by March 2016. The estimated completion of the Aventura Mall Bus Terminal/Layover Area project is December 2016.
